### Description

This 2025 BYD Dolphin Surf Boost is presented in exceptional condition with an incredibly low mileage of just 334 miles, having had only one owner and boasting a full dealership service history. As a BYD manufacturer approved vehicle, it comes with the reassurance of a 70 month warranty and an MOT valid until July 2028. This electric car features a 43 kWh battery offering a maximum range of 200 miles, and can achieve an 80% charge in as little as 34 minutes at a public charging station. The BYD Dolphin Surf Boost is equipped with a suite of notable features designed to enhance your driving experience. These include rear parking sensors and a rear camera for easier manoeuvring, alongside adaptive and intelligent cruise control for more relaxed journeys. For added practicality, it also comes with a towing hook and seamless integration for Apple CarPlay and Android Auto. These features collectively demonstrate a superior level of specification and convenience compared to other vehicles in its class.

The Autoplex, Abbotswell Road, Aberdeen, United Kingdom,  
AB12 3AD
