Description

Boasting exceptionally low mileage for its age, this 2024 MG MG4 Trophy Extended Range presents a remarkable opportunity for discerning buyers. As a single owner vehicle, it has covered just 7319 miles, ensuring it remains in excellent condition. This electric model features a substantial 77 kWh battery, offering a maximum range of 329 miles when new, perfect for longer journeys. Charging at home with a 7kW charger takes approximately 11 hours and 26 minutes, while rapid public charging can replenish the battery from empty to 80% in just 44 minutes. Notable features include a 360 degree parking camera system with parking assistance, a convenient mobile phone Bluetooth key, heated front seats for added comfort, rear parking sensors, and seamless integration with Android Auto. The MG4 Trophy Extended Range stands out with its impressive performance, achieving 0-60mph in a swift 6.1 seconds, demonstrating its dynamic capabilities. This acceleration figure highlights its advantage over many other vehicles in its class. Furthermore, the generous boot space provides ample practicality for everyday needs and weekend getaways. The extensive battery range of 329 miles when

new also signifies its superior ability to cover greater distances between charges compared to similar electric cars.
