Description

This 2019 Dacia Sandero S Ce Comfort presents an exceptional opportunity with its remarkably low mileage of just 30038 miles for its age. This Euro 6 compliant 1.0L petrol engine is housed within the well appointed Comfort trim, offering a practical and enjoyable driving experience. Inside, you'll find the MediaNav Evolution system, featuring a 7in touchscreen with Android Auto and Apple CarPlay for seamless smartphone integration. Manual air conditioning ensures a comfortable cabin temperature, while rear parking sensors provide added convenience when manoeuvring. Bluetooth connectivity is also included, allowing for easy hands free calls and audio streaming. The Dacia Sandero S Ce Comfort stands out for several key reasons that make it a superior choice compared to other vehicles in its class. Its low insurance group rating means more affordable ownership, and the generous boot space offers excellent practicality for shopping trips or luggage. Furthermore, its low CO2 emissions contribute to a more environmentally friendly drive and potentially lower running costs. This combination of affordability, practicality, and efficiency makes this Sandero a truly sensible option.
