Fuel Consumption	20.2 mpg

Description

STUNNING STORM WHITE PRESTIGE EDITION GT-R The engine is a 3.8-litre V6 (VR38DETT, if you want to get technical), putting out 550bhp 570 PS and 466lb ft of torque. The car's mission statement, however, remains the same today as it was almost a decade ago: to deliver colossal speed and excitement at about half of the price at which it's available in most supercars – and in a package that can be used every day and in almost any weather. 20in Alloy Wheels - RAYS Y Spoke Forged 8 Way Power Driver Seat and 4 Way Passenger Seat Active Noise Cancellation Apple CarPlay Automatic Air Conditioning with Dual Zone Climate Control Bilstein DampTronic System with Three Driver-Selectable Modes Body Coloured Rear Spoiler with Integrated High Mounted Centre Stop Light Bose Sound System with 11 Speakers Carbon Fibre Trimmed Centre Console Cruise Control with Speed Limiter Dual Individual Rear Seats Electric - Heated and Folding Body Coloured Rear View Door Mirrors Electronic Drive-by-Wire Throttle Electronic Traction Control Front and Rear Parking Sensors High Resolution 8in Touch Screen Hood Buckling Creases - Pipe Style Steel Side Door Guard Beams and Energy Absorbing Steering Column Intelligent Key with Start Push Button Leather Pull Strap in Boot Lid Leather Wrapped Steering Wheel - Handbrake and Gear Knob Nissan Approved Alarm System NissanConnect Satellite Navigation System and Entertainment System Predictive Pre-Shift
