### Description

This 2024 BMW i5 40 M Sport is a truly exceptional example, having had only one owner from new and benefiting from BMW manufacturer approval. This electric saloon offers a remarkable battery maximum range of 356 miles, ensuring you can travel further on a single charge. Inside, you'll find the M Sport trim, enhanced by the Technology Plus Pack which includes adaptive cruise control, a head up display, and comprehensive parking assistance with front and rear cameras and sensors. Comfort Access allows for effortless keyless entry, while Crafted Clarity Controls add a touch of premium refinement. Sun protection glass provides added privacy and comfort. The i5 40 M Sport boasts a substantial 84 kWh battery, capable of a full charge at home in approximately 12 hours and 30 minutes using a 7kW charger. For faster top ups, it can reach 80% charge in just 34 minutes at a public charging station. The large boot space offers ample room for all your luggage, making it a practical choice for everyday use and longer journeys. These features, combined with its impressive range and advanced technology, position this BMW i5 as a superior option compared to other electric vehicles in its class.
