Description

48 MTH PCP @ 6000 MILES This is a 2024 MINI Electric Countryman SE Exclusive, presented in Exclusive trim. As an electric car with four-wheel drive, it offers a unique driving experience. This particular model has had only one owner and boasts low mileage of just 4011 miles. It also comes with the added benefit of being MINI manufacturer approved. For enhanced comfort and safety, it includes a heated steering wheel and Driving Assistant, which features BLIS (Blind Spot Assistance). The Electric Countryman stands out with its impressive performance capabilities. The 67 kWh battery provides a maximum range of 267 miles when new. Charging is convenient, with a full charge at home taking approximately 10 hours using a 7kW charger. For those needing a quicker charge while on the go, public charging can take the battery from empty to 80% in just 33 minutes. Acceleration is particularly noteworthy, with the car reaching 0-62mph in just 5.6 seconds, demonstrating its sporty edge over similar vehicles.

Alliance Centre, Greenwell Road, Aberdeen, United Kingdom,
