This 2024 BMW iX2 30 M Sport is a remarkable example, having had only one owner since new and benefiting from BMW manufacturer approval. This all electric, four wheel drive model boasts a substantial 67 kWh battery, offering an impressive maximum range of 267 miles. Charging is convenient, with a full charge at home taking approximately 9 hours and 10 minutes on a 7kW charger, while rapid public charging can replenish the battery from empty to 80% in just 33 minutes. The M Sport trim enhances its appeal, and you'll find the practical Parking Assistant, complete with a rear camera, a valuable addition for effortless manoeuvring. Experience exhilarating performance with the BMW iX2 30 M

Sport, capable of accelerating from 0 to 62 miles per hour in a swift 5.6 seconds, a testament to its dynamic electric powertrain. This performance, combined with its substantial boot space, positions it favourably against other vehicles in its class. The combination of its advanced electric technology, the assurance of BMW manufacturer approval, and the single owner provenance makes this iX2 a compelling choice for those seeking a premium electric driving experience.
