This 2024 BMW iX1 30 M Sport is a superb example, having had only one owner from new and benefiting from BMW manufacturer approval. This electric vehicle boasts a four wheel drive drivetrain and a substantial 67 kWh battery, offering a maximum range of 272 miles when fully charged. For convenience, a full charge at home using a 7kW charger takes approximately 9 hours and 10 minutes, while rapid public charging can replenish the battery from empty to 80% in as little as 32 minutes. The M Sport trim enhances its appeal, and notable features include the advanced Parking Assistant, complete with a rear camera and rear sensors, alongside a generously sized boot for all your needs.

Experience exhilarating performance with the BMW iX1 30 M Sport, capable of accelerating from 0 to 62 miles per hour in a swift 5.6 seconds, demonstrating its dynamic capabilities. This impressive acceleration, combined with its efficient electric powertrain and all wheel drive system, sets it apart from many other vehicles in its class. The thoughtful inclusion of parking assistance further enhances its practicality, making every journey and manoeuvre more straightforward and enjoyable.
