### Description

48 MTH PCP @ 6000 MILES The 2024 MINI Electric Countryman E Exclusive, in the Exclusive trim, is a superb electric car. This MINI has had only one owner and boasts very low mileage of just 3125 miles. The heated steering wheel is a welcome feature, especially on cold mornings, ensuring your hands stay warm and comfortable as you drive. As a MINI manufacturer-approved vehicle, you can be assured of its quality and reliability. With a battery capacity of 67 kWh, this vehicle offers a maximum range of 287 miles when new, meaning fewer stops on long journeys. Charging is convenient and flexible, taking approximately 10 hours for a full charge using a 7kW home charger. For those needing a quicker top-up, public charging from empty to 80% can be achieved in as little as 33 minutes. This impressive range and rapid charging capability make it a standout choice in the electric vehicle market.
