## Description

With only 39,101 miles on the clock, this 2017 Mercedes-Benz E350d V6 AMG Line offers remarkably low mileage for its age. As part of the E Class range, this vehicle boasts a 3.0L diesel engine and meets Euro 6 emission standards. The AMG Line trim adds a touch of sporty sophistication, complemented by a full dealership service history, ensuring it has been maintained to the highest standards. Inside, you'll find a host of features designed for comfort and convenience, including heated front seats, two-zone automatic climate control, and smartphone integration with Bluetooth. Manoeuvring is made easy with the reversing camera and parking assistance. The AIR BODY CONTROL air suspension provides a smooth and refined ride. This particular model stands out with its rapid acceleration, reaching 0-62mph in just 5.9 seconds, making it quicker than many similar vehicles. It also benefits from a low insurance group, potentially saving you money, and offers a large boot space, making it more practical than comparable cars.
