## Description

This is a 2024 MINI Electric Countryman E Exclusive, presented in the Exclusive trim. As an electric car, it offers a modern and efficient driving experience. Having had only one owner and with very low mileage of just 956 miles, this vehicle is in excellent condition. It also boasts a heated steering wheel, perfect for those chilly mornings. The MINI Electric Countryman has a battery with a total capacity of 67 kWh, offering a maximum range of 287 miles when new. This impressive range means fewer stops and more open road. Charging is convenient, with a full charge achievable in approximately 10 hours using a 7kW home charger. For those needing a quicker top-up, public charging from empty to 80% can be accomplished in as little as 33 minutes.
