Description

This is a Land Rover Defender 90, a diesel-powered van registered in 2024. As the D300 X variant of the X trim, it boasts a 3.0-litre engine and a four-wheel-drive drivetrain. This short wheelbase model is the Hard Top SUV Auto derivative, with three doors and is Euro 6 compliant. Having had only one previous owner, this Defender 90 is ready for its next adventure. Finished in Santorini Black with Ebony Leather Interior | Secure Tracker Pro (36-month subscription) | Towing Pack | Electrically deployable tow bar | Advanced Tow Assist | Front Undershield | 22" Alloys - Style 5098 Gloss Black | Extended Black Exterior Pack | Solar attenuating windscreen | Body-coloured Spare Wheel Cover | Black Roof Rails | With a towing capacity of 3500 kg, this vehicle is well-suited for demanding tasks. The fuel economy is around 34 mpg, which is better than similar vehicles, saving you money at the pump. The CO2 emissions are 225 grams per kilometre, a figure that compares favourably with other vehicles in its class. The 345 bhp engine delivers impressive power, making it more capable than its competitors.
