Description

Experience refined driving in this 2021 Audi Q5 Vorsprung. The vehicle is a testament to Audi's commitment to quality and innovation. The Q5 is equipped with a 2.0L diesel engine and a four-wheel-drive system, providing reliable performance in various driving conditions. This Euro 6 emission class vehicle includes the Vorsprung trim, offering a range of advanced features designed to enhance your driving experience. The Audi Q5 boasts several features that set it apart from other vehicles in its class. Acceleration from 0-62mph in just 7.6 seconds demonstrates its responsive performance. The Audi Phone Box with wireless charging ensures your devices stay powered on the go. Manoeuvring is made easy with the parking assistance pack, including a 360-degree camera. The deluxe 3-zone electronic climate control ensures comfort for all passengers, while front and rear parking sensors provide added safety. The city assist pack, including blind spot assistance, helps you navigate urban environments with confidence. In addition, the vehicle offers a large boot space and a towing weight of 2400 kg.
