Description

With only 45,500 miles on the clock, this 2019 Mercedes-Benz C220d AMG Line offers an appealing opportunity. This C Class boasts a 2.0L diesel engine and meets Euro 6 emission standards. The AMG Line trim adds a sporty edge, while the Premium Package enhances your driving experience with wireless phone charging, LED headlights, Bluetooth connectivity, and seamless smartphone integration through Android Auto and Apple CarPlay. Parking is made easy with Active Parking Assist, including PARKTRONIC sensors at the front and rear. You'll also appreciate the comfort of heated front seats and the convenience of THERMATIC two-zone automatic climate control. The spacious boot is a real advantage, offering ample room for luggage, shopping, or anything else you need to transport. The car's acceleration is also worth noting; it can go from 0 to 62mph in just 7.5 seconds. This brisk performance sets it apart from other vehicles in its class, making it a pleasure to drive whether you're navigating city streets or cruising on the motorway.
