Description

With only one previous owner and a full dealership service history, this 2024 Land Rover Defender 90 D250 S is a superb example of a rugged and capable SUV. The Defender 90, with its short wheelbase and three doors, is powered by a 3.0L diesel engine and features a smooth automatic transmission coupled with a four-wheel-drive system, making it suitable for a variety of terrains. This particular model, the 3.0 D250 MHEV S Hard Top SUV Auto 4WD SWB Euro 6, also benefits from Land Rover manufacturer approval, adding peace of mind. It comes equipped with keyless entry, a 3D surround camera system to assist with parking and manoeuvring, LED headlights with signature daytime running lights for enhanced visibility, and 12-way heated semi-powered front seats for added comfort. Finished in Fuji White with Ebony Leather Interior | 22" Alloys - Polished Chrome | Front Jump Seat | Black Fixed Side Steps | Wheel Arch Protection Kit | Front & Rear Classis Mud Flaps | 11.4" Touchscreen | 3D Surround Camera | Secure Tracker Pro | This Defender 90 stands out with its Euro 6 emission class, reflecting its low CO2 emissions, making it a more environmentally conscious choice. The fuel economy is around 34 mpg, which is better than similar vehicles in its class, and the engine produces 247 bhp, offering a strong balance of power and efficiency. It also falls into a low insurance group, potentially saving you money

on your premiums. Furthermore, it boasts a substantial towing capacity of 3500 kg, making it well-suited for various tasks.
