Description

With only 34,620 miles on the clock, this 2020 Mazda CX-5 is a superb example with low mileage for its age. This Sport Nav+ trim features a responsive 2.0L petrol engine and meets Euro 6 emission standards. The vehicle is equipped with a range of features designed for comfort and convenience, including heated front seats with 3-stage settings, perfect for those chilly mornings. The integrated Bluetooth system keeps you connected on the go, while the dual-zone climate-controlled air conditioning with rear air vents ensures a comfortable environment for all passengers. Navigating tight spots is made easy with the reversing camera, and the smart keyless entry system adds an extra layer of convenience to your daily drives. This Mazda CX-5 stands out with its large boot space, offering ample room for luggage, shopping, or sports equipment. In addition, it benefits from a low insurance group, which means it could be more affordable to insure than other similar vehicles. The SKYACTIV-G Sport Nav+ variant combines practicality with a touch of luxury, making it a great choice for families and individuals alike.
