Description

This Volkswagen T-Roc, registered in 2021, is a stylish and well-equipped SUV, perfect for those seeking a blend of performance and practicality. As a TDI EVO R-Line model with the R-Line trim, it boasts a sporty aesthetic and a responsive 2.0L diesel engine. Convenience is at your fingertips with keyless entry and start, making every journey effortless. The electric tailgate adds a touch of luxury and ease to your daily routine. Manoeuvring is a breeze thanks to the front and rear parking sensors, complete with parking assistance. Stay in control on the open road with adaptive cruise control, and seamlessly integrate your smartphone with wireless App Connect, featuring both Android Auto and Apple CarPlay. This particular T-Roc stands out with its impressive fuel economy of 57 mpg, meaning fewer trips to the petrol station and more money in your pocket. It also falls into a low insurance group, offering peace of mind and reduced running costs. Furthermore, its low CO2 emissions contribute to a cleaner environment. The vehicle's acceleration, reaching 0-62mph in just 8.8 seconds, ensures a dynamic and engaging driving experience.
