Description

With only 53183 miles on the clock, this 2020 Mitsubishi L200 is a smart buy. This DI-D DC Barbarian X variant of the L200 is a four-wheel drive, 2.2L diesel, double cab pick-up with four doors and a Euro 6 emissions class. The DC Barbarian X trim includes heated front seats and a heated steering wheel for those frosty mornings, as well as dusk-sensing headlights. Manoeuvring is made easy with front and rear parking sensors, plus a 360-degree camera. This particular L200 stands out with its low CO2 emissions, making it a more environmentally conscious choice. It also falls into a lower insurance group, potentially saving you money on your premiums. Furthermore, it boasts a substantial towing capacity of 3500 kg.
