This 2025 BMW 530e M Sport Pro presents an exceptional ownership proposition, boasting an incredibly low mileage of just 3570 miles for its year and having had only one owner from new. As a BMW manufacturer approved vehicle, it offers peace of mind, powered by an efficient 2.0 litre petrol plug in hybrid engine and meeting Euro 6 emission standards. The M Sport Pro trim enhances its appeal, and for added convenience, it includes the comprehensive Parking Assistant system, featuring front and rear sensors along with a rear camera. Beyond its impressive provenance and advanced technology, this 5 Series offers a generous boot space, making it a practical choice for everyday life and longer

journeys. The combination of its plug in hybrid powertrain, the sporty M Sport Pro styling, and the low mileage for its age clearly sets this vehicle apart from others you might find. This particular example represents a superb opportunity to acquire a nearly new, highly specified BMW 5 Series.
