Description

This 2023 Land Rover Range Rover Velar D200 Dynamic SE is a Land Rover manufacturer approved vehicle, boasting a single owner and a recent service completed on 28th August 2025 at 17,556 miles. This Euro 6 compliant model features a powerful 2.0L diesel engine paired with a Four Wheel Drive drivetrain, offering a towing weight of 2400 kg. Inside, you'll find a heated steering wheel and heated front seats for added comfort, alongside convenient wireless device charging. The exterior is enhanced by LED headlights with signature Daytime Running Lights and a fixed panoramic roof, all contributing to the sophisticated Dynamic SE trim. The Range Rover Velar D200 Dynamic SE offers impressive performance, accelerating from 0 to 60mph in just 7.8 seconds, demonstrating its dynamic capability. The generous boot space ensures practicality for all your needs, making it a versatile choice. These features collectively highlight how this particular vehicle surpasses others in its class, providing a refined and capable driving experience.
