This 2022 BMW iX3 Premier Edition offers an exceptional ownership proposition, having had only one owner from new and boasting remarkably low mileage for its age. As a fully electric vehicle, it provides a smooth and quiet driving experience, with a substantial 80 kWh battery offering a maximum range of 282 miles when new. This Premier Edition model comes equipped with

Adaptive LED Headlights for enhanced visibility, a comprehensive Parking Assistant including a rear camera and sensors for effortless manoeuvring, and the advanced Driving Assistant Professional suite, which features Adaptive Cruise Control for relaxed journeys. The BMW iX3 Premier Edition is designed for practicality and convenience, featuring a large boot space perfect for luggage or shopping. Charging is straightforward, with a full charge at home using a 7kW charger taking approximately 11 hours and 20 minutes, and rapid charging on public networks can replenish the battery from empty to 80% in as little as 32 minutes. This particular vehicle is BMW manufacturer approved, assuring you of its quality and condition, and its low mileage of 22,172 miles further enhances its appeal compared to similar models on the market.
