This 2022 BMW 1 Series 118i M Sport (LCP) is a remarkable find, boasting exceptionally low mileage for its year at just 19,587 miles. As a Euro 6 compliant model, it features a responsive 1.5 litre petrol engine, paired with the sporty M Sport trim. Inside, you'll appreciate the convenience of automatic two zone climate control, ensuring comfort for all occupants, and the integrated Bluetooth system for hands free calls and audio streaming. For added comfort during colder journeys, the front seats are heated, and the car is equipped with bright and efficient LED headlights. The practicality of this BMW 1 Series is further enhanced by its generous boot space, making it ideal for everyday use and weekend

getaways. Its performance is equally impressive, with an acceleration of 0 to 62 miles per hour achieved in a brisk 8.8 seconds. These highlights, including the low mileage, desirable M Sport specification, and advanced features, clearly set this vehicle apart from others in its class, offering a compelling combination of style, comfort, and performance.
