Description

This 2025 Land Rover Defender 90 D250 X Dynamic HSE is a truly exceptional example, boasting a single owner and an incredibly low mileage of just 1958 miles, supported by a full dealership service history. As a Land Rover manufacturer approved vehicle, it offers peace of mind, and its Euro 6 compliant 3.0L diesel engine paired with four wheel drive ensures capable performance. The X Dynamic HSE trim level is further enhanced by a protective matte film, a sliding panoramic roof with an opening sunroof, and modern conveniences like Android Auto, Blind Spot Assist, and wireless device charging. Finished in Santorini Black Matte Finish with Ebony Leather Interior | Body coloured spare wheel cover | Black roof rails | Cold Climate Pack | Matte Protective Film | This Defender 90 is designed for both capability and comfort, with a notable acceleration of 0-60mph in just 7.6 seconds, demonstrating its strong performance. Its impressive 3500 kg towing weight makes it a versatile choice for various needs. Furthermore, its placement in a low insurance group highlights its cost effectiveness. These factors combined indicate that this particular Defender 90 offers a superior ownership experience compared to many others on the market.
