Description

This Land Rover Range Rover Velar D200 Dynamic HSE from 2025 is a superb example, having had only one owner from new and being Land Rover manufacturer approved. This stylish SUV features a 2.0L diesel engine, delivering a responsive 0-60mph in just 7.8 seconds, all managed through its capable Four Wheel Drive system. It meets Euro 6 emission standards and offers a substantial towing weight of 2400 kg. Inside, you'll find a heated steering wheel for comfort, keyless entry for convenience, and front and rear parking aids to assist with manoeuvring. The sophisticated Pixel LED headlights with signature Daytime Running Lights ensure excellent visibility, while Adaptive Cruise Control with Steering Assist enhances the driving experience on longer journeys. The generous boot space provides ample room for all your luggage or shopping needs. The combination of its impressive acceleration, advanced Pixel LED headlights, and the intelligent Adaptive Cruise Control with Steering Assist demonstrates how this Range Rover Velar is equipped to offer a superior driving experience compared to other vehicles in its class. This well maintained, single owner vehicle represents a fantastic choice for those seeking luxury, capability, and advanced technology.
