Description

£500 Deposit allowance available on PCP with this vehicle + 2yrs Servicing This 2023 Renault Captur TCe Techno is a truly exceptional find, boasting incredibly low mileage for its age at just 8655 miles. This stylish compact SUV is powered by an efficient 1.0 litre petrol engine, meeting Euro 6 emissions standards. Inside, you'll find a host of modern conveniences designed to enhance your driving experience, including full LED headlights for superior visibility, and seamless connectivity through Bluetooth, DAB radio, and USB ports. Parking is made effortless with front and rear parking sensors and a helpful rear view camera, while the integrated wireless phone charger keeps your devices powered up on the go. The Renault Captur TCe Techno offers a compelling package of benefits that set it apart. Its impressive fuel economy of 48 miles per gallon means fewer trips to the petrol station, and its low CO2 emissions contribute to a more environmentally friendly drive. Furthermore, its position within a low insurance group makes it an economical choice for many drivers. These highlights demonstrate how this particular Captur provides excellent value and a more cost effective ownership experience compared to similar vehicles.
