Description

This 2021 Mercedes-Benz C Class C43 V6 AMG Night Edition (Premium Plus) boasts exceptionally low mileage for its age, having covered just 18848 miles, and comes with a 12-month warranty for your peace of mind. Powered by a potent 3.0L petrol engine and featuring Four Wheel Drive, this Euro 6 compliant vehicle offers a dynamic driving experience. The AMG Night Edition trim enhances its appeal, while notable features include Active Parking Assist with PARKTRONIC and a Reversing Camera, complemented by a 360 Degree Camera for effortless manoeuvring. Inside, you'll find THERMATIC automatic climate control for two zones and advanced MULTIBEAM LED headlights. The impressive acceleration of this C Class, achieving 0-62mph in just 4.7 seconds, clearly sets it apart from many similar vehicles. Furthermore, its low insurance group rating indicates that running costs are likely to be more economical than you might expect for a performance oriented car. The generous boot space also provides excellent practicality, making this

Mercedes-Benz a well rounded choice for those seeking both performance and everyday usability.
