Description

This 2023 MG MG3 VTi-TECH Excite offers a compelling blend of modern technology and practical motoring. Powered by a responsive 1.5L petrol engine, this Euro 6 compliant vehicle ensures efficient performance for your daily journeys. Inside, you'll find a user friendly cabin equipped with Apple CarPlay for seamless smartphone integration, and Bluetooth connectivity for hands free calls and audio streaming. Comfort is further enhanced by air conditioning, complete with a dust and pollen filter, while rear parking sensors provide added convenience and confidence when manoeuvring. The MG3 VTi-TECH Excite stands out with its remarkably low insurance group, making it an economical choice for many drivers. Its acceleration from 0 to 60mph in just 10.4 seconds indicates a sprightly performance that is competitive within its class. These attributes, combined with its well appointed features, position the MG3 VTi-TECH Excite as a sensible and enjoyable option for those seeking a reliable and feature rich compact car.
