Description

****£700 FINANCE DEPOSIT CONTRIBUTION WHEN PURCHASED THROUGH BMW FINANCIAL SERVICES **** This 2025 BMW i4 40 M Sport is a superb example, having had only one owner since new. As a fully electric vehicle, it offers a sophisticated driving experience with its M Sport trim. The i4 boasts an impressive 84 kWh battery, providing a maximum range of 369 miles when new, meaning fewer stops on longer journeys. Charging at home using a 7kW charger will take approximately 12 hours and 30 minutes for a full charge, while rapid public charging can replenish the battery from empty to 80% in as little as 34 minutes. Notable features include Adaptive LED Headlights with High Beam Assistant for enhanced visibility, automatic air conditioning for a comfortable cabin environment, and front heated seats for those colder days. The performance of this electric BMW i4 is truly remarkable, with an acceleration of 0-62mph achieved in just 5.6 seconds, demonstrating its dynamic capability. This acceleration figure highlights how the i4 offers a more spirited drive compared to many other electric vehicles in its class. Furthermore, the generous boot space provides ample practicality for everyday needs and weekend getaways, making it a versatile choice for any driver. Call 01382 815993
