Description

With only one owner and exceptionally low mileage for its age, this 2024 Land Rover Discovery D300 Dynamic HSE presents a superb opportunity. This four wheel drive, seven seat Discovery is powered by a 3.0 litre diesel engine and meets Euro 6 emissions standards. It comes with the reassurance of being Land Rover manufacturer approved, and boasts a towing weight of 3500 kg. Notable features include automatic headlights, wireless device charging, a 3D surround camera system for comprehensive parking assistance, front and rear parking aids, and convenient keyless entry. Experience impressive performance with this Discovery, capable of accelerating from 0 to 60 miles per hour in just 6.5 seconds, a highlight that demonstrates its dynamic capability. The combination of its advanced four wheel drive system, spacious seven seat interior, and robust towing capacity makes it a versatile choice for families and adventurers alike. The inclusion of features like the 3D surround camera and parking aids further enhances its usability, offering a more refined and confident driving experience compared to similar vehicles.
