Description

This 2023 Land Rover Range Rover Sport D300 Autobiography is a Land Rover manufacturer approved vehicle with only one owner from new. It features a powerful 3.0L Diesel engine and Four Wheel Drive, meeting Euro 6 emission standards. This impressive vehicle boasts a towing weight of 3500 kg, making it highly capable. Notable features include deployable side steps for easy access, front and rear recovery eyes integrated with the towbar, and advanced digital LED headlights with signature daytime running lights and image projection. For convenience, it also offers front and rear parking aid with parking assistance sensors and wireless device charging. The Range Rover Sport Autobiography offers a compelling blend of performance and practicality. Its acceleration from 0-60mph in just 6.3 seconds demonstrates its dynamic capability, outperforming many similar vehicles. The large boot space ensures ample room for luggage or equipment, further enhancing its versatility. These highlights collectively position this Range Rover Sport as a superior choice for those seeking a premium and capable SUV.
