Description

This 2023 Volkswagen Transporter presents an exceptional opportunity with its remarkably low mileage of just 7414 miles. As a 2.0 TDI T32 Highline Kombi FWD SWB Euro 6 (s/s) 5dr model, it combines a powerful 2.0 litre diesel engine with the refined Highline trim. This vehicle is equipped with a Composition Colour DAB Plus Radio System featuring a 6.5 inch touch screen and Bluetooth connectivity, alongside Adaptive Cruise Control with a speed limiter for effortless journeys. Comfort is assured with electronically controlled air conditioning, and parking is made simple thanks to front and rear Park Distance Control. Automatic headlights with daytime running lights and a manual coming home function further enhance its practicality. The Volkswagen Transporter stands out with its impressive 5800 litre cargo volume, offering ample space for your needs. Its Euro 6 emission classification and low CO2 emissions highlight its environmental consideration, making it a more responsible choice. Furthermore, its placement in a low insurance group indicates that running costs are kept to a minimum, setting it apart from many other

vehicles in its class. This combination of low mileage, generous cargo capacity, efficiency, and affordability makes this Transporter a truly compelling proposition.
