Description

This 2023 Mercedes Benz A Class A200h AMG Line (Executive) offers an exceptional blend of efficiency and premium features. Powered by a 1.3 litre petrol hybrid engine, this Euro 6 compliant vehicle boasts low CO2 emissions, making it an environmentally conscious choice. The AMG Line trim enhances its sporty appeal, while the inclusion of LED High Performance Headlamps with Adaptive High Beam Assist ensures excellent visibility. For added convenience, it features a Parking Package with a rear camera and automatic headlamp activation. Inside, you'll find heated front seats for comfort and dual Bluetooth interfaces for seamless connectivity. The Mercedes Benz A Class A200h AMG Line (Executive) stands out with its advanced technology and refined driving experience. The LED High Performance Headlamps with Integrated LED Daytime Running Lights and Adaptive High Beam Assist provide superior illumination, adapting automatically to changing road conditions and traffic. This intelligent lighting system, along with the Parking Package including a rear camera, offers a significant advantage in safety and ease of use compared to vehicles without these advanced aids. Furthermore, the Headlamp

Assist ensures your headlights are always activated when needed, and the heated front seats provide a touch of luxury on colder journeys, setting this A Class apart.
