Description

This 2022 Mercedes-Benz EQS 450+ AMG Line (Premium Plus) offers an exceptional electric driving experience with a remarkable new battery range of 441 miles. As an electric vehicle, it represents the forefront of automotive innovation. This particular model boasts the sophisticated AMG Line trim, enhancing its already premium appeal. Inside, you'll find a host of notable features designed for comfort and convenience, including a Head-up Display to keep your eyes on the road, a premium Burmester Surround Sound System for an immersive audio experience, and a Panoramic Sliding Sunroof that floods the cabin with natural light. The KEYLESS-GO Comfort Package ensures effortless entry and starting, while the advanced Parking Package, complete with a 360 Degree Camera and Active Parking Assist, makes manoeuvring in tight spaces remarkably simple. The EQS 450+ AMG Line (Premium Plus) truly excels in its performance and practicality. Its electric powertrain delivers swift acceleration, reaching 0-62mph in just 6.2 seconds, a figure that highlights its dynamic capabilities compared to many other vehicles. Furthermore, the substantial 120 kWh battery offers impressive charging options; a full charge at home

using a 7kW charger takes approximately 17 hours and 13 minutes, while rapid public charging can replenish the battery from empty to 80% in as little as 35 minutes, demonstrating its suitability for longer journeys. This model also provides a generous boot space, ensuring ample room for luggage or shopping, further enhancing its appeal as a practical and luxurious electric saloon.
