Description

This 2022 Toyota Land Cruiser D Invincible is a superb example, having had only one owner since new. It boasts a powerful 2.8 litre diesel engine paired with a robust four wheel drive system, making it ready for any adventure. Inside, you'll find comfortable seating for seven, and the Invincible trim level ensures a premium experience. This Euro 6 compliant vehicle also offers a generous towing weight of 3000 kg, and comes equipped with stylish 19 inch glossy black diamond cut alloy wheels. Further enhancing its appeal, this Land Cruiser features heated rear seats for added comfort on longer journeys, and a rear view camera to assist with parking. Safety is also a priority, with Blind Spot Monitor technology included. The automatic headlights adapt to changing light conditions, and the large boot space provides ample room for luggage or equipment. Its low insurance group rating indicates that running costs are also kept impressively low, making this Land Cruiser a practical and capable choice.
