Description

This 2021 MINI Countryman Cooper S Classic is a standout example, boasting exceptionally low mileage for its year at just 22,334 miles, and is MINI manufacturer approved for your peace of mind. This four wheel drive model is powered by a responsive 2.0 litre petrol engine, meeting Euro 6 emissions standards. It features distinctive LED headlights, enhancing both visibility and the vehicle's modern aesthetic. Experience exhilarating performance with this Countryman, capable of accelerating from 0 to 62 miles per hour in a swift 7.3 seconds. This impressive acceleration, combined with its four wheel drive capability and efficient 2.0 litre engine, positions it as a compelling choice above many other vehicles in its class, offering a dynamic and assured driving experience.
