### Description

This 2024 BMW 3 Series M340d boasts exceptionally low mileage for its age, having covered just 11,148 miles with only one owner. This Euro 6 compliant, four wheel drive model features a powerful 3.0L Diesel Hybrid engine and comes BMW manufacturer approved, offering peace of mind. Notable features include a desirable Panoramic Glass Sunroof with opening function, advanced Parking Assistant with front and rear sensors and a rear camera, and Adaptive LED Headlights for enhanced visibility. Inside, you'll find the comfort of Front Lumbar Support. The M340d variant signifies a higher specification, indicating a superior driving experience compared to other 3 Series models. The combination of its efficient Diesel Hybrid powertrain and the surefootedness of four wheel drive ensures both performance and economy. The inclusion of the Panoramic Glass Sunroof adds a sense of spaciousness and light to the cabin, while the comprehensive Parking Assistant makes manoeuvring in tight spaces effortless. These carefully selected features, alongside the vehicle's excellent provenance, make this BMW 3 Series a compelling choice.
