Description

This 2021 SEAT CUPRA Ateca TSI is a SEAT manufacturer approved vehicle, offering peace of mind alongside its impressive performance. This four wheel drive model is equipped with a 2.0 litre petrol engine and meets Euro 6 emission standards. Inside, you'll find a range of convenient features designed to enhance your driving experience, including a Top View Camera system with 360 degree parking assistance, dual zone climate control for personalised comfort, a wireless phone charger, and a rear view camera for easier manoeuvring. The CUPRA Ateca TSI stands out with its exceptional acceleration, achieving 0 to 62 miles per hour in just 4.9 seconds. This rapid acceleration demonstrates how this vehicle offers a more dynamic and engaging drive compared to other similar models on the market. Its combination of powerful performance, advanced technology, and manufacturer approval makes it a compelling choice for those seeking a capable and well equipped SUV.
