Description

This 2022 Mercedes Benz EQS 450+ Exclusive Luxury is a remarkable example with exceptionally low mileage for its age, having covered just 26,101 miles. As an all electric vehicle, it offers a sophisticated driving experience, boasting a substantial 120 kWh battery that provided an impressive 414 miles of range when new. This particular model, the Exclusive Luxury trim, comes equipped with a suite of premium features designed for comfort and convenience. These include the Rear Luxury Lounge Package with wireless phone charging, a Memory Package incorporating seat and head up display functions, and Thematic automatic climate control. The advanced Headlamps are Digital Light, offering superior illumination. The EQS 450+ Exclusive Luxury excels in several key areas, setting it apart from other vehicles. Its acceleration is notably brisk, achieving 0-62mph in just 6.2 seconds, demonstrating its electric performance capabilities. The battery's maximum range of 414 miles when new highlights its long distance potential. Furthermore, this model offers generous boot space, making it practical for everyday use and travel. For home charging, a full charge from empty takes

approximately 17 hours and 13 minutes using a 7kW charger, while rapid public charging can replenish the battery from empty to 80% in as little as 35 minutes.
