Description

This 2026 Kia EV9 GT-Line S is a remarkable example, having had only one owner since new. This electric, four wheel drive SUV offers a spacious interior with seven seats, making it ideal for families or those needing extra capacity. Its impressive 100 kWh battery provides a maximum range of 313 miles, and for convenience, it features LED headlights with adaptive driving beam, blind spot view monitor and blind spot collision avoidance assist, front, side and rear parking sensors, and wireless Apple CarPlay and Android Auto. The Kia EV9 GT-Line S truly stands out with its performance and charging capabilities. Achieving 0-62mph in just 5.3 seconds, it offers brisk acceleration

that surpasses many vehicles in its class. When it comes to charging, a full charge at home using a 7kW charger takes approximately 45 hours and 5 minutes, but for rapid top ups, it can reach 80% charge from empty in as little as 27 minutes at a compatible public charging station. Furthermore, this capable SUV boasts a towing weight of 2500 kg, adding to its versatility. All of our Kia Assured Used cars come with an unrivalled peace-of-mind package, which includes: — Balance of 7-year warranty with a Minimum 12 months Warranty— 1 year of roadside assistance, so you're never left stranded — A thorough vehicle inspection checklist for total transparency — One year free excess return (worth up to £250) At John Clark Kia, your satisfaction and peace of mind come first.
