Description

This 2025 Geely EX5 Pro presents an exceptional opportunity with its remarkably low mileage of just 1732 miles, a testament to its careful single ownership. This electric Pro trim model boasts a substantial 60 kWh battery, offering a maximum range of 258 miles when new. For convenience, it supports rapid charging, reaching 80% capacity from empty in as little as 32 minutes. Inside, you'll find a host of desirable features including Apple CarPlay, all LED automatic headlights, a heated steering wheel, and heated front seats, all complemented by keyless entry and passive start for effortless access. Experience exhilarating performance with the Geely EX5 Pro, capable of accelerating from 0 to 62 miles per hour in a swift 6.9 seconds, a figure that places it ahead of many comparable vehicles. This impressive acceleration, combined with its generous electric range and advanced features, makes this a compelling choice for those seeking an efficient and well equipped electric vehicle. The low mileage and single owner provenance further enhance its appeal, suggesting a vehicle that has been meticulously maintained and is ready for its next chapter.
