### Description

This 2025 Geely EX5 Max is a superb example, having had only one owner since new. This electric vehicle boasts a substantial 60 kWh battery, offering a maximum range of 255 miles on a full charge. When you need to top up, you can achieve an 80% charge in just 32 minutes using public charging. The vehicle also comes with an impressive 84 month warranty, providing peace of mind. Inside, you'll find a premium experience with a 16 Speaker FLYME SOUND system and the convenience of Apple CarPlay. Safety is enhanced by Blind Spot Detection, and you can enjoy the open air with remote controlled all windows, including the electric sunroof, while the front seats are heated for your comfort. The Geely EX5 Max delivers an exhilarating drive, accelerating from 0 to 62 miles per hour in a swift 7.1 seconds. This performance, combined with its

extensive electric range and rapid charging capabilities, positions it favourably against other vehicles in its class. The comprehensive warranty further underlines its quality and reliability, making this a compelling choice for those seeking an advanced and well equipped electric car.
