Description

This Audi A6 e-tron Sportback Edition 1 is a remarkable example, having had only one owner since its 2025 registration. As an Audi manufacturer approved electric vehicle, it offers peace of mind alongside its advanced technology. This four wheel drive model boasts a substantial 100 kWh battery, providing an impressive maximum range of 410 miles when new, ensuring you can travel further on a single charge. Experience exhilarating performance with an acceleration of 0-62mph in just 4.7 seconds, a highlight that sets this vehicle apart. The A6 e-tron Sportback Edition 1 also offers a large boot space, making it practical for all your needs. Charging is convenient, with a full charge at home taking approximately 15 hours using a 7kW charger, and a rapid charge to 80% achievable in a swift 24 minutes at a public charging station.
