Description

This 2026 MG4 Urban Premium Long Range is a superb example, having had only one owner since new. This electric vehicle boasts a 54 kWh battery, offering a maximum range of 251 miles on a full charge. Charging at home using a 7kW charger will take approximately 10 hours, while rapid public charging can take you from empty to 80% in just 34 minutes. Inside, you'll find a host of convenient features, including wireless connectivity for Apple CarPlay and Android Auto, a wireless mobile phone charger, and heated front seats for added comfort. The full auto LED headlights with auto low/high beam and follow me home function ensure excellent visibility, and adaptive cruise control with intelligent cruise assist makes journeys more relaxed. The MG4 Urban Premium Long Range stands out with its generous boot space, providing ample room

for your luggage or shopping. These highlights demonstrate how this vehicle offers a superior experience compared to others in its class. Its electric powertrain ensures a smooth and quiet driving experience, perfect for both city commutes and longer trips.
