Description

This 2026 Audi Q6 e-tron Edition 1 has been driven for only 1172 miles by its single owner, offering a nearly new experience. As an Audi manufacturer approved vehicle, this electric model features a four wheel drive system and comes equipped with the Sound and Vision Pack, which includes a head up display and a premium branded sound system. For added convenience on the road, it also includes adaptive cruise control. The performance of this vehicle is notable, with an acceleration of 0 to 62mph in 5.9 seconds, making it a capable choice for those seeking a responsive drive. It offers a practical balance of range and utility, boasting a maximum range of 362 miles when new and a large boot space for carrying luggage. Charging is efficient, with the ability to charge from empty to 80 percent in 24 minutes at the fastest public charging points, or 15 hours for a full charge at home using a 7kW charger. Furthermore, it provides significant utility with a towing weight of 2400 kg, ensuring it is well suited for a variety of needs.
