Description

This 2023 Tesla Model 3 Long Range is an electric vehicle that has been kept in excellent condition by its single previous owner. With a very low mileage of 25,084 miles, this four wheel drive car is ready for its next journey. To provide peace of mind, the vehicle comes with a 12 month warranty and will be supplied with a fresh 12 month MOT upon purchase. The performance of this model is notable, offering acceleration from 0 to 60mph in just 4.2 seconds. It features a 78 kWh battery that provides a maximum range of 389 miles when new, making it a practical choice for longer trips. Charging is convenient, taking 12 hours for a full charge at home using a 7kW charger, or as little as 26 minutes to reach 80 percent capacity at a fast public charging point. Inside, the cabin is designed for comfort with 2 zone climate control, a

heated steering wheel, and heated seats for both front and rear passengers. The vehicle also includes keyless entry and remote control via an app, alongside a large boot space for added practicality.
