Description

This 2023 Citroen e-C4 Shine Plus is an all-electric vehicle that has covered 18,436 miles. It comes with a full service history, with the most recent service completed on 3 September 2026. To provide peace of mind, the vehicle includes a 12-month warranty and will be supplied with a fresh 12-month MOT upon purchase. The e-C4 is designed for convenience and comfort, featuring a 50 kWh battery that offers a range of 219 miles when new. Charging is straightforward, taking 7 hours and 30 minutes for a full charge at home using a 7kW charger, or as little as 30 minutes to reach 80 percent capacity at a fast public charging point. The Shine Plus trim is well-equipped with practical

technology, including Highway Driver Assist with adaptive cruise control and a comprehensive parking aid system that covers the front, rear, and sides of the vehicle. Comfort is enhanced by a heated steering wheel and clear visibility is provided by LED headlights. The exterior is finished with a distinctive bi-tone Perla Nera Black roof, and the vehicle offers a large boot space, making it a practical choice for daily use.
